

LIZA *Minnelli*

Entertainment icon Liza Minnelli is one of the very few performers honored with every accolade – an Oscar for “Cabaret”; an Emmy for “Liza with a Z”; a Tony for “Flora and the Red Menace” and “The Act”; as well as a Grammy legend award. Her repertoire of much-loved songs spans 40 years and includes signature favorites such as “Cabaret,” “New York, New York,” and “I’ll Be Seeing You.”

Celebrated for her spectacular talent, Liza has charmed audiences since she first began singing at age 3. Daughter of the famed Judy Garland and Vincente Minnelli, Liza has forged a great path in her own right as a living Broadway legend. She continues to enthrall fans with concert tours, television appearances and recording projects. With her mesmerizing style, Liza will sing accompanied by a 12-piece orchestra, back-up singers and dancers.

More Than A School

Established in 1947 as Maryland’s first school for children with moderate mental retardation, Chimes has expanded to an international multiservice agency delivering a wide range of programs, services and supports for over 12,000 people of all ages and many levels of ability. Saturday, October 27, 2007 • The Meyerhoff Symphony Hall

*You're invited to join Chimes in celebration of 60 years
of Enhancing Lives of People with Disabilities*

2007 HALL OF FAME

Honoring The Kelly Family

The Kelly name is synonymous with community service. Three-term State Senator Francis X. Kelly, Jr., and his wife Janet, have spent a lifetime working to improve the lives of citizens in Baltimore and Maryland. Married 46 years, they have inspired the next generation, their sons and daughters-in law: Frank, III and his wife Gayle; John and his wife Tee; David and his wife Melissa; and Bryan and his wife Heidi. The family's work embraces community, faith-based and recreational organizations including the University of Maryland Medical System, Shock Trauma, Calvert School, Maryland Zoo in Baltimore, Baltimore County Chamber of Commerce, the Foundation Fighting Blindness, Mt. Washington Pediatric Hospital, Dyslexia Tutoring Program, the Penn-Mar Corporation and Boys Hope Girls Hope and many others. Please join Chimes as we celebrate the achievements of the Kelly family.
